

OPERATION: PEACE FOR NIGERIA

PRAYER JOURNAL

GUIDE FOR USE

THE PURPOSE OF THE PRAYER JOURNAL

- Christians serve a wonderful God that delights to hear and answer prayer. We also live in a world desperately in need of our God of Peace.
- Psalm 8v2 says “Out of the mouths of babes and sucklings hast thou ordained strength because of thine enemies...” God has chosen to work through prayers and praise, especially those of children.
- The journals are to encourage and engage young people in prayer on behalf of the most needy.

INFORMATIONAL PAGES

- The journal begins with pages about the Lord and prayer. These devotional pages can be used for private devotion or as a group study.
- Two pages of Christian history can be read as a group or individually as inspiration to trust God.
- Three pages of facts about Nigeria and the problems faced by children and persecuted Christians can be referenced in prayer times as prayer requests. Use the maps to find specific areas of need mentioned in weekly updates found on the website or Facebook page.

JOURNALING PAGES

- The second part of the journal is lined pages to write praises and prayer requests each week. Go to www.prayerpioneers.org or Prayer Pioneers Facebook page each week to find updates of prayer requests or praises. The children can write prayers on these pages. Remember to look back and see what God has done.
- At the bottom of each page is a space for children to make notes or creatively express their thoughts.
- There is a verse on each page to meditate on going into prayer or to memorise!
